Amendment of Section 73.202(b),)
FM Table of Allotments,)
FM Broadcast Stations.)
(Crowell, Texas))

MM Docket No. 01-293 /
RM-10303

RECEIVED

DEC 18 2001

To: Chief, Allocations Branch
Policy and Rules Division
Mass Media Bureau

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

REPLY COMMENTS

North Texas Radio Group, L.P. ("North Texas"), licensee of Stations KBOC(FM), Bridgeport, Texas; KFYZ(FM), Bonham, Texas, and KYYK(FM), Palestine, Texas, together with A.M. & P.M. Communications, L.L.C. ("AM & PM"), licensee of Station KACO(FM), Ardmore, Oklahoma (together, "Proponents"), by their counsel, hereby submit their reply comments to the *Notice of Proposed Rule Making*, DA 01-2376 (rel. October 12, 2001) in the above-captioned proceeding.

1. On December 3, 2001, Proponents filed a counterproposal in this proceeding, proposing a number of changes to the FM Table of Allotments including first local services at four communities. The counterproposal was in conflict with the petitioner's proposal to allot Channel 250C3 to Crowell, Texas. However, the petitioner has filed a withdrawal of her expression of interest in a new station at Crowell.¹ No other counterproposals were received by the Commission, and the filing date has passed. Accordingly, the Proponents' counterproposal is unopposed. The

1. Attached hereto is a certification pursuant to Section 1.420(j) regarding the withdrawal of the petitioner's expression of interest.

24

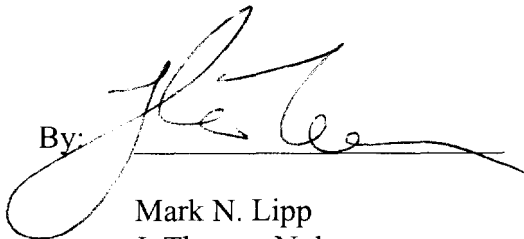

Commission should proceed to issue a Public Notice and set a reply comment date as soon as possible.²

2. While not affecting the substance of the counterproposal, two minor typographical errors in that submission should be corrected. In the Summary, page ii, the text on lines 6-8 should read "Station KJMZ, Lawton, Oklahoma will change from Channel 251C1 to **250A**, relocate, and change its community of license to Cache Oklahoma . . ." In the table on page 2, the line for Lawton, Oklahoma should show the deletion of Channel 251C with ***no substitute channel*** at Lawton. The text (page 11) and the Engineering Statement make clear that Channel 250A at Cache, Oklahoma, is being proposed as a substitute for Channel 251C1 at Lawton.

Respectfully submitted,

NORTH TEXAS RADIO GROUP, L.P.
A.M. & P.M. COMMUNICATIONS, L.L.C.

2. In addition, to help facilitate the processing of this counterproposal, on December 3, 2001, North Texas withdrew its petition for reconsideration in MM Docket No. 99-233. On December 14, 2001, the Commission dismissed the reconsideration by Memorandum Opinion and Order (DA 01-2908).

CERTIFICATION

I, Richard Witkovski, General Partner of North Texas Radio Group, L.P. ("North Texas"), state as follows:

1. On December 12, 2001, North Texas entered into an agreement with Jeraldine Anderson regarding the dismissal of her petition for rule making for Crowell, Texas. That agreement is the only agreement, written or oral, to which North Texas is a party, concerning that dismissal.

2. Neither North Texas nor its principals has paid or will pay any money or other consideration in excess of Jeraldine Anderson's legitimate and prudent expenses in exchange for the dismissal of her petition.

I certify under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief. Executed on December 12, 2001.

Richard Witkovski

CERTIFICATE OF SERVICE
